REP/DEALER UPDATES

WHITE CAP locations nationwide are now stocking our highly popular 5" DustBuddie grinding shroud. The DustBuddie is a "universal" shroud that fits most 4.5 to 6-inch angle grinders. Features include a removable lip for grinding close to walls, durable polycarbonate construction, a patented floating head and brushes which allow for easy transitions across various surfaces. The DustBuddie also complies with the OSHA Silica Rule and makes for a perfect stocking stuffer for the busy contractor in your life!

Dustless Technologies along with our Canadian Rep Group BNT will have a booth at the upcoming 2020 WRLA (Western Retail Lumber Association) Buying Show. The event will be held at the BMO Stampede Center, Calgary, AB, from January 22 thru January 24, 2020. This is one of the largest shows of its kind in Canada, with over 700 booths in 170,000 square feet and 265 exhibiting companies. We look forward to showcasing our innovative dust solutions and visiting with our Canadian distribution partners. For additional details, please visit the WRLA website at <https://www.wrla.org/>.

DUSTLESS ATTENDS STAFDA IN NASHVILLE, TENNESSEE

The annual STAFDA Convention is an opportunity for manufacturers and distributors of various construction products, with an emphasis on user safety, to come together and provide an opportunity for networking, industry education, and the latest and most innovative products on the market. Attended by STAFDA members from all over the world, it was an amazing success.

Dustless Technologies has been a STAFDA member for over 15 years and our president served as a board member for 3 years. Newly launched this year was our latest in Dustless vacuum technology, the OSHA Compliant D1619 8 Gal. HEPA Vacuum. In an entirely new demonstration, we were able to showcase its unique ability to clean up wet & dry materials simultaneously. As seen in the photos, attendees witnessed this first hand, afterwards inspecting the inside of the vacuum barrel, as completely clean, having all debris & water contained in the Wunderbag™ within and filters untouched. Touted as an "economical solution to OSHA'S dust containment regulations and employee safety" the D1619 is just beginning to make its impact on the industry.

Ace Hardware's Foundation charitable donation helps Children's Hospital.

RECENT DUSTLESS DONATION

Dustless Technologies recently donated to ACE Hardware's Foundation in support of the Ann & Robert H. Lurie Children's Hospital in Chicago.

The Ace Foundation via their vendors this year has contributed over \$5.0 million to Children's Miracle Network Hospitals helping to treat over 17 million children.

We appreciate the opportunity to contribute our small part for such a worthy cause this holiday season!

Dustless Technologies participates in Annual Angel Tree for Seniors

575 ORNAMENTS ON ANGEL TREE IN 2019

Employees at Dustless Technologies were given the opportunity this year to pick an Angel Tree Ornament and shop for a gift for a local senior citizen.

The annual angel tree for seniors boasts 575 ornaments this year, the largest amount that has graced the tree in the five years since its inception.

The 575 gifts that are donated by members of the community will be distributed to nearly 200 senior citizens in the local area.

WISHING YOU A WONDERFUL HOLIDAY SEASON!

In this happy, festive season, we would like to thank each of you. We wish you and your family a happy and healthy season. Keep a warm heart and spread the joy around you.
