

Go Dustless

Not All Vacuums Are Created Equal!

HEPA VACUUM

Dustless Technologies®

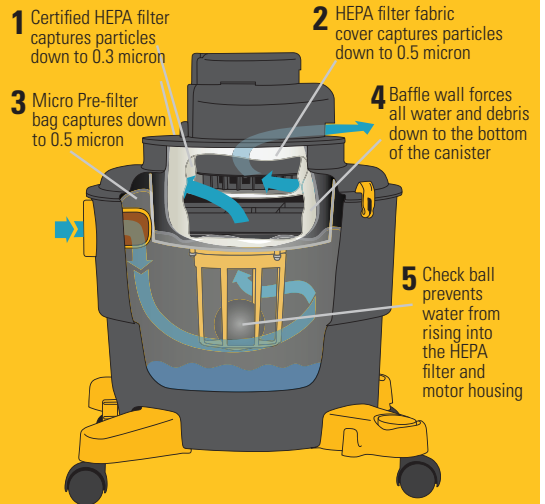

Model #16006

Give yourself the Dustless® HEPA advantages:

- Certified to meet EPA Lead-Safe standards
- Go from dry to wet vacuuming without stopping
- Interior baffle/wall keeps the HEPA filter dry at all times
- Longer lasting HEPA filter when used with WunderBag™
- Larger surface area of filters provides superior air flow
- Roomy 16 gallon canister for maximum airflow
- Maintains suction after ingesting 40 lbs. of fine dust
- Low operating costs (filters)

5 Reasons Why It's #1:

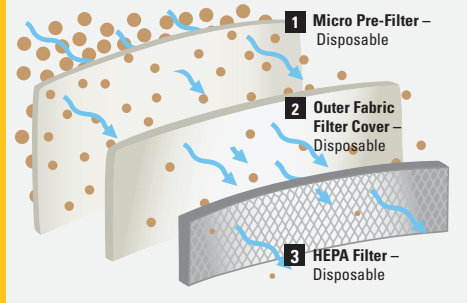

WunderBag™ Micro Pre-filter (2 included)

**Tear Resistant
Retains Strength
When Wet**

- Disposable/economical
- Extends life of HEPA filters
- Retains strength when wet
- Holds more than 40 lbs. of dust and debris
- Captures extra fine dust down to .5 micron
- Large surface area for maximum airflow

Patented Filter System
